

Real Estate Briefs: Koogler Builds Tarpon Point Home

SUNDAY, Sept. 9, 2012— Koogler Homes is building a custom home in the Tarpon Estates neighborhood of Tarpon Point Marina in Cape Coral.

The home has a new design that offers 5,400 square feet under air with four bedrooms and six baths in an open floor plan. The Mediterranean-style residence will have a three-tier movie theater, game room with billiards area and bar, retractable bookcases that open to the theater, 135-degree sliding glass doors that completely open to the lanai, an outdoor living area with swimming pool and kitchen, and a three-car garage. The home is situated on 200-foot-plus intersecting canals, and is designed so that there will be water views from every room. Construction is estimated to be complete by February or March 2013.
