Koogler Homes hosts party for Camp Boggy Creek

From left, Don and Ginny Koogler with Leah Miles, regional development officer for Camp Boggy Creek. / Special to The News-Press

Koogler Homes' Don and Ginny Koogler hosted more than 125 guests in their Marquesa model home in Cape Coral with a catered holiday event to raise funds for Camp Boggy Creek children's camp. The "Koogler Kringle Mingle" fundraiser attracted guests from as far away as the east coast of Florida, and raised more than \$3,000. There were two events on the same day: The first group was Koogler Homes' business associates, vendors and suppliers.

The second event later that day was a “Business After Hours” gathering for members of the Chamber of Commerce of Cape Coral. A silent auction was held at both functions where guests bid on holiday decorations that were used to decorate the home, helping to raise additional donations. Chamber members and others who could not attend the event also donated, using a special feature on the Koogler Homes and Cape chamber websites. Anyone interested in supporting Camp Boggy Creek can visit boggycreek.org.
