

# *The Cascade*

*This 2,417-square-foot home has an open, flowing floorplan, with 10-foot ceilings and a welcoming feeling from the moment you walk through the door. Its split plan situates the master suite privately in the rear of the layout, adjacent to the lanai, while a second suite and guest bedroom are across the roomy living area. The spacious kitchen and living/dining areas make it a great home to entertain and relax.*

# The Cascade
